### MarVeena's Bio

I had a NDE (Near Death Experience) three days before I turned 21. That is interesting timing. The number 21 breaks down to 2+1=3. the number three represents among many things life, death and rebirth. Which was the case for me.

It was the most traumatic thing that ever happened to me. One minute I was on top of the world. Healthy, loved my career and life. The next thing I knew I was hovering between this world and the next.

Any how this was my turning point. When I was sent back to finish what I came here to do. I started being aware of other spirits that were a live but not focused in a physical body. They had messages for those of us here in a physical body. I am the go between. From my heart I do my best to relay what your loved ones in the spirit world want to tell you. I relay the inspiration and ideas from your guides, teachers and angels.

It is my way of touching the world with beauty. To help us understand that life goes on after the breath leaves the body.

I now have my blog on my web site, so it is easy to find.  
I will be adding meditations ideas and stories every day or so.

**My Fav Smoothie** It Takes a lot of energy to run a ranch and do readings. My favorite smoothie to get me going: 1 cup of goat kefir, 2 TBSP's of Coconut oil; 2 lg bananas, 2 TBSP's of protein powder(whey). Blend in your mixer until smooth. Enjoy! I can go for two to three hours full throttle until the next meal on this.

### Down home on the ranch:

One of my best mares now has a flat top due to my poor Spanish. Sigh(~ I thought I said groom the mare, not cut her hair.

Oh well, it will grow out.

I am getting better at my spanish though Julio still laughs at my pronunciation!

We have had 5 inches of rain in the past week and expecting more. The next foals should be good mud horses on the track.

Take a guess on Pagine Paige Leigh's foaling date. Send it in to me and I will give a free 30 minute tarot reading to the winner.

I will post the date on my face book and blog.

Come to see us!

Definitely bring your mud boots though!
